

Division of Tuberculosis Elimination Educational and Training Materials

Note: All materials listed are in the public domain. You may reproduce these materials without permission. You are also free to adapt and revise these materials; however, you must remove the CDC name and logo if changes are made. Please indicate desired quantity in the blank provided. All materials are free of charge unless otherwise noted.

For Health Care Providers

Forging Partnerships to Eliminate Tuberculosis Toolkit

A resource guide and toolkit for strengthening TB elimination strategies through partnerships. The booklet is a printed version of the guide and toolkit. The CD ROM includes the guide (in PDF format) and toolkit (in PDF and Word formats that can be adapted for local use). The CD ROM can also be ordered separately.

____ (00-6552) **Guide and CD ROM (2007)**

____ (99-8802) **CD ROM (2007)**

TB Elimination - Now Is the Time Brochure (2007)

____ (99-6893) *A six-page color brochure designed to educate the general public about the status of the TB epidemic in the U.S. with general TB information, HIV-TB co-infection, TB's disproportionate burden on minorities and what needs to be done to eliminate TB in the US*

TB Information Guide CD ROM (October 2006)

____ (99-6879) *CD-ROM containing TB educational materials, major TB guidelines, MMWRs, surveillance reports, & slide sets*

TB Facts for Health Care Workers (2006)

____ (99-5497) *26-page booklet for clinicians on diagnosis, treatment, and prevention of TB*

Effective TB Interviewing for Contact Investigation

____ (99-8214) **Facilitator-led Training Guide (2006)** - *An interactive, skill-building guide designed to improve the knowledge and proficiency of TB staff responsible for conducting the TB interview. Guide is intended for facilitators who will be conducting TB interviewing courses.*

____ (99-8215) **Self-Study Modules (2006)** - *A series of 4 modules, including an overview of the TB interview for contact investigations, basics of communication and patient education, cultural competency, and special interview circumstances.*

____ (99-7789) **Video (2004)** - *67-minute video demonstrates successful interviewing strategies with TB patients and is designed to enhance the knowledge and skills of health care workers who are responsible for conducting TB interviews with patients as part of contact investigations.*

Understanding the TB Cohort Review Process (2006)

Explains the three key elements of the cohort review process and how to adapt the cohort review process to your own TB program.

____ (99-8225) **Instruction Guide** *(Currently Out of Stock)*

____ (99-8369) **Instruction Guide and DVD** (Limit 1 per order)

Guide for Primary Health Care Providers: Targeted Tuberculin Testing and Treatment of Latent TB Infection (2005)

____ (99-8212) *Booklet on latent TB infection diagnosis and treatment.*

TB/HIV Co-infection Brochure (2005) *(Currently Out of Stock)*

____ (99-7314) *4-page color brochure is designed to educate staff of AIDS service organizations about TB and encourage them to collaborate with their local TB control program.*

Reported TB in the United States (2006)

____ (99-9038) *Statistics on tuberculosis cases and case rates reported for 2006*

For Health Care Providers (Cont'd)

Core Curriculum on Tuberculosis

- ____ (00-5763) **Guide – 4th Edition (2000)** - Training guide on clinical and public health aspects of TB control
(Temporarily Unavailable)
- ____ (99-8049) **CD ROM (2004)** - Interactive course based on the print version of the Core Curriculum
- ____ **Web-based Version (2004)** - Interactive course based on the print version of the Core Curriculum
www.cdc.gov/tb/webcourses/corecurr/index.htm

Mantoux Tuberculin Skin Testing - Visual aids and tools pertaining to the Mantoux test

- ____ (99-7047) **Ruler - 2002** (limit 50 rulers per order) (Currently Out of Stock)
- ____ (00-5564) **Wall Chart – 2004**
- ____ (00-5457) **Training Materials Kit - 2003** (Includes videotape, facilitator guide, and ruler)

Federal TB Task Force Plan in Response to the IOM Report (2003)

- ____ (99-7679) 76-page plan developed by the Federal TB Task Force to guide implementation at the federal level of the recommendations in the IOM report, outlining specific agency roles and detailed action steps.

CDC's Response to the IOM Report (2002)

- ____ (99-7347) 62-page document is CDC's response to the IOM's TB elimination challenge.

Self-Study Modules on Tuberculosis

- ____ **Modules 1-5 (1995)** - A series of five modules covering epidemiology, transmission and pathogenesis, diagnosis, treatment of TB infection and TB disease, and infection control. (Temporarily Unavailable)
- ____ (99-6206) **Modules 6-9 (2000)** - A continuation of the Self Study Modules on TB series, these four new modules cover contact investigations, confidentiality, TB surveillance and case management in hospitals and institutions and patient adherence.
- ____ **Web-Based Version (1999)** <http://www2.cdc.gov/PHTN/tbmodules/Default.htm>

How You Can Assess Engineering Controls for TB in Your Healthcare Facility (1999)

- ____ (99-6158) A video and viewer's guide developed by the Francis J. Curry National TB Center about basic techniques used to evaluate engineering controls, including instructions for bringing an isolation room into compliance with CDC recommendations.

Think TB! - Poster listing the symptoms of tuberculosis

- ____ (00-6186) English language (1992)
- ____ (00-6406) Spanish language (1993)

TB in Blacks Fact Sheet (2007)

- ____ (99-8644) This fact sheet presents TB morbidity rates for black non-Hispanic persons in the United States. These statistics emphasize the need to eliminate TB and to focus on preventing and controlling TB in this minority group.

TB in Minorities Fact Sheet (2007)

- ____ (99-8645) This fact sheet presents data and contributing factors on the disproportionate burden of TB in racial and ethnic minorities in the United States.

TB Education and Training Resources Web site

This Web site includes a searchable database of materials from numerous national and international organizations. It can be found at www.findtbresources.org.

For Patients and the General Public

Tuberculosis - Get the Facts!

One-page pamphlet on basic facts about TB transmission, infection, and the tuberculin test

____ (00-5743) **English language – 2005**

____ (00-5772) **Spanish language – 2006**

Tuberculosis - The Connection Between TB and HIV (the AIDS Virus)

One-page pamphlet on the risk of HIV-related TB, tuberculin testing, and preventive therapy

____ (00-5738) **English language – 2005**

____ (00-5745) **Spanish language – 2006**

Questions and Answers About TB – 2005

____ (00-6469) *Booklet on TB transmission, skin test, and treatment, including DOT and medication side effects*

Get the Facts About TB Disease – 2005

____ (99-8218) *Booklet about TB transmission, treatment for TB disease, and how to communicate with family and friends about TB*

What You Need to Know About TB Infection – 2005 (Currently Out of Stock)

____ (99-8219) *Booklet on TB infection, including the TB skin test, treatment, and adherence to medication*

What You Need to Know About the TB Skin Test – 2005

____ (99-8220) *Fact sheet on the basics of the TB skin test*

Protect Your Family and Friends From TB: The TB Contact Investigation– 2005

____ (99-8221) *Booklet on how to protect family and friends from TB and how to talk to a healthcare worker during a contact Investigation*

Take Steps to Control TB When You have HIV – 2005

____ (99-8222) *Booklet about the importance of treating TB infection and TB disease when a person is also infected with HIV*

Staying on Track with TB Medicine – 2005

____ (99-8223) *Booklet about treatment and ways to adhere to medication regimens for TB infection and TB disease*

Stop TB! - 1994 - Poster uses pictures and text to describe the transmission and pathogenesis of TB

____ (00-6474) *Poster*

____ (00-6475) *Pad of 50 tear-off sheets duplicating the poster*

Major Guidelines – additional TB guidelines may be found on the DTBE website at <http://www.cdc.gov/tb>

TB Prevention and Control –

____ (99-8605) **Prevention and Control of TB in Correctional and Detention Facilities, MMWR, 7/6/2006.**

____ (99-8458) **Guidelines for Preventing the Transmission of *Mycobacterium tuberculosis* in Health-Care Settings. MMWR, 12/28/05.**

____ (99-8451) **Guidelines for the Investigation of Contacts of Person with Infectious TB: Recommendations of NTCA and CDC; and Guidelines for Using the QuantiFERON TB Gold Test for Detecting *Mycobacterium tuberculosis*. MMWR, 12/16/05.**

____ (99-8326) **Controlling Tuberculosis in the United States. MMWR, 11/4/05.**

____ (99-8160) **National Plan for Reliable Tuberculosis Laboratory Services Using a Systems Approach. MMWR, 4/15/2005**

Major Guidelines (Cont'd)

____ (99-6725) **Preventing and Controlling Tuberculosis Along the U.S.-Mexico Border.** *MMWR*, 1/19/01.

____ (99-6144) **TB Elimination Revisited: Obstacles, Opportunities, and a Renewed Commitment.** *MMWR*, 8/13/99.

TB Testing and Treatment –

____ (99-7490) **Treatment of Tuberculosis.** *MMWR*, 6/20/03.

____ (99-6422) **Targeted Tuberculin Testing and Treatment of Latent TB Infection.** *MMWR*, 6/9/00; and
Update: Adverse Event Data and Revised American Thoracic Society/CDC Recommendations Against the Use of Rifampin and Pyrazinamide for Treatment of Latent TB Infection. *MMWR*, 2003.

____ (99-6423) **Diagnostic Standards and Classification of Tuberculosis in Adults and Children.**
Reprint from the *American Journal of Respiratory and Critical Care Medicine*, 4/00.

Ordering Information

To order materials online, please visit www.cdc.gov/tb. You may also **(1)** FAX this form to the Office of Communications at (404) 639-2857; or **(2)** mail this form to: Office of Communications, NCHHSTP, CDC, 1600 Clifton Road NE, Mailstop E-07, Atlanta, GA 30333.

PLEASE NOTE: Large shipments are sent by UPS and require a street address. Large packages cannot be shipped to PO Boxes. International orders are limited to 10 copies of each publication.
